

What You as a Provider Need to Know

Dear Healthcare Provider,

If your patient would like to participate in the Smoking Cessation Program provided by SCT Management Services, L3C (SCTMS), please have them enroll by going to our website www.smokingcessationtrust.org or call one of our Representatives at (504) 529-5665 or 1-855-259-6346. This program is a 10-year FREE smoking cessation program to benefit all Louisiana residents who started smoking cigarettes before September 1, 1988, and desire to quit smoking. These smokers are known as Scott Class Beneficiaries.

This program provides for the reimbursement of Nicotine Replacement Therapy (NRT), Telephone Quit Line Services, Office Visits and Counseling. For more information on what resources are covered under the Program, a complete listing of eligible services can be found online at: www.smokingcessationtrust.org

contracted providers

If you are currently a contracted provider with the Smoking Cessation Program or the Gilsbar 360° Alliance PPO, and your patient receives services covered under the Smoking Cessation Program, you will bill using Payer ID #07205.

non-contracted providers

If you are NOT currently a contracted provider with the Smoking Cessation Program or the Gilsbar 360° Alliance PPO, the smoking cessation service(s) you provide to your patient will not be eligible for reimbursement by SCTMS. **As a provider, you can consider joining the Gilsbar 360° Alliance PPO Network by calling 1-866-605-6797 and a Gilsbar representative will be happy to assist with this process.**

eligible CPT codes

Certain CPT codes for services rendered for the purpose of smoking cessation services are eligible under this Program. For a complete list of eligible CPT codes, please see the back of this page. To ensure proper claims processing, please use the applicable CPT codes only.
